Real Indian Human Hair is highly demanded to make wigs for different hair styling and extensions. We are offering it at a competitive price

Products :

As per picture & Details

RAW HAIR COLLECTIONS: We produce the best quality Human Hair from pure virgin Local & Indian temple hair sourced from our Original south Indian agents. We can supply only virgin temple hair which is naturally cut from the women and manufactured as machine weft hair extensions. So it shall not be like Chinese hair thick bottom there shall be only little bit thin. Our raw hair is durable and it can be reused for 2-3 year by proper maintenance. Our hair has natural textures like straight/curly and wavy in all natural colours and bleached & dyed colored hair.
